

PITTSTON Memorial Library

The Pittston Memorial Library is launching a Sustainability Fund Campaign to invest into the much-needed expansion of library services.

Our goal is to raise a minimum of \$40,000 a year. Your tax-deductible donation can pay tribute to a loved one or demonstrate your everlasting support for the public library system.

Over the years, funding has become extremely scarce or difficult to attain. The demand for the library has increased as an outlet for our patrons, but regrettably, the funding has significantly decreased.

We need your help and support to continue to the great work of the Pittston Memorial Library, as not only a library, but also a cornerstone of our community and its downtown revitalization efforts.

Please remember OUR LIBRARY is more than just books – it is a community center as well, and your contribution will help sustain our mission well into the future.
