

We've partnered with RoundUp!

A spare change donation platform!

How to support the PML with the RoundUp App:

- Download the RoundUp app from the app store
- Create a free account
- Link up a credit/debit card or bank account*
- Search for the Pittston Memorial Library
- Choose your type of donation: one time, monthly or round up all your purchases with your linked account
- Shop! The app will automatically track purchases made with your linked account and each month your change is donated to us.

*No one at the RoundUp app or the PML will ever see your card/bank information. RoundUp processes payments through Stripe, the same company that does payment processing for Amazon and millions of other organizations.

Trusted by over 5k nonprofits.
